

Art Blizzard Bag1: Mrs. Willoughby
K-3

The best part about having a day off of school is getting to hang out with our favorite pets all day! I know my dog, Cyrus, loves when I stay home. Draw a picture of you and your pet on your day off of school. If you do not have a pet at home draw your dream animal (a pet dinosaur perhaps?) Use your crayons or markers to bring your picture to life! Don't forget to add a background, so we know where you are, and what you and your pet are doing on your day off together!!

By completing this assignment, students will be working on mastering the art standard 2PR:
Generate ideas and images for artwork based on observation, memory, imagination, and experience
