Additional Security Added:

The safety and security of students and staff is the district's number one priority. Recently, we upgraded our security measures by adding additional security doors. This prevents visitors from having direct access to classrooms and not stopping in the office first. Moving forward all visitors must enter the office, sign in, and then proceed back through the new security doors.

Student of the Month:

West Elkton Intermediate teachers nominated students from each grade for Student of the Month based upon the character trait, "Respect." We would like to say congratulations to the following students for being very respectful here at West Elkton:

Blaine Singleton, Hannah Kaucher, Colt Lyon, Kadee Edwards, Gaven Cornett, Isabella Fogt, Caleb Blankenship, Alyssa McKee, Jacob Juarex-Sapp, Caleb Adams, Jersey Ross, Brianna Matheny, Shelby Lane, Conner Young, Heaven Plymale, Kolby Mergerson, Shylee Stephens

Congratulations students! Next month's character trait is, "Responsibility."

Start with Hello:

During the week of September 23rd we celebrated, "Start with Hello Week." Start with Hello week was started by the Sandy Hook Promise organization. The idea is to create a culture of inclusion that values every individual at our school. The program enables students to make a difference with their peers in an impactful way by encouraging them to take small actions to help others showing signs of social isolation. Social isolation is the overwhelming feeling of being left out, lonely, or treated like you are invisible. All week long students were encouraged to strike up conversations by simply saying, "hello." If your student ever feels alone and hopeless, please do not hesitate to let us know. We hope every child feels accepted and valued here at West Elkton.
