

## Important Information for Second Grade Parents....

Your child brought some books with them today and a list of websites we use at school for learning. They will need to use them for the assignments for the 6 additional days we are away from school.

Attached you will find a list of assignments for 3-20-2020 thru 3-27-2020. These are the assignments for the additional 6 “Blizzard Bags”.

Please help your child with these assignments as needed. Thank you for your understanding during this time.
