

Preble Shawnee Jr/Sr High School

Building Security Changes

As a district, we have taken certain measures to ensure the safety of our students and staff. The following has been implemented at the Jr/Sr High School.

All students and visitors must enter the building through the main doors, on the middle floor. The main doors will be unlocked at 6:45 a.m. and will be relocked by 7:20 a.m. After 7:20 a.m. all students and visitors will be required to show a form of identification and give reason for entry.

No student or staff member will be permitted to allow students or other individuals in the building through another door. If this happens, there will be discipline action taken against both individuals.

Starting Monday, January 7th students will not be permitted to enter the building, at the Jr/Sr High School, until 6:45 a.m. Please make arrangements for your child to arrive after this time.

We appreciate your cooperation in keeping our students and staff safe.
