

## **Third Grade Distance Learning**

**April 6th - May 1st**

Hello, third grade families! We would first like to thank you for all the hard work you've put in the last few weeks. We know this has been a very difficult time for everyone. Your support and efforts are not going unnoticed and we truly appreciate all that you're doing at home. Please keep in mind that you are able to email your child's teacher at any time using one of the following emails:

[tiptons@psarrows.com](mailto:tiptons@psarrows.com)

[mccolluma@psarrows.com](mailto:mccolluma@psarrows.com)

[guckiana@psarrows.com](mailto:guckiana@psarrows.com)

[reedk@psarrows.com](mailto:reedk@psarrows.com)

[hershnerb@psarrows.com](mailto:hershnerb@psarrows.com)

[lemieuxk@psarrows.com](mailto:lemieuxk@psarrows.com)

[fuellingl@psarrows.com](mailto:fuellingl@psarrows.com)

We have created this packet to be a little more user-friendly than the last. We have chosen to use weekly assignments, rather than daily assignments so that everyone is able to work at their own pace. In order to complete online assignments, your child can use a smartphone, game console, iPad, tablet, laptop, desktop, etc. If your child does not have access to the internet in any way, we recommend reading the following stories in their Journeys textbook:

*A Tree is Growing* (pages 93-115) \*weeks 1 and 2

*The Journey: Stories of Migration* (pages 239-255) \*weeks 3 and 4

Please make sure that your child writes their name on every sheet of paper they are turning back in to school - including workbook pages that need to be ripped out.

To access BrainPop Jr. Please go to <https://jr.brainpop.com/>. Look at the top of the screen and click login. Your child should be able to use their RAZ and eSpark login information to login to the BrainPop Jr. accounts that the teachers have created. Once the student is logged in they will click on DASHBOARD at the top of the screen to access their assignments. These subscriptions will also allow them to access all BrainPop material, so we strongly encourage everyone to take advantage of this subscription and search for other topics they find interesting.

Please continue to regularly check the Camden Primary Third Grade group on Facebook, as well as your teacher's Class Tag or Class Dojo for up-to-date information.

Again, thank you for your cooperation during this time. We miss everyone and are looking forward to connecting with your family via the Facebook group during our time of distance learning.
