

DISTRICT ASSESSMENTS

[ACT](#)

The ACT is a national college admissions examination that consists of subject area tests in: English, Mathematics, Reading and Science. ACT results are accepted by all four-year colleges and universities in the US.

[Alternate Assessments](#)

Ohio's Alternate Assessment for Students with Significant Cognitive Disabilities is aligned to Ohio's Academic Content Standards–Extended (OACS-E) and designed to allow students to demonstrate their knowledge and skills appropriately.

[ELPA21](#)

State and Federal law require an annual assessment of K-12 Limited English Proficient (LEP) students to measure their English language proficiency.

[ITBS Algebra Readiness](#)

The Iowa Algebra Aptitude Test, Fifth Edition, provides educators with the most up-to-date assessment of algebra readiness available. IAAT Fifth Edition is designed and developed according to NCTM standards published in 2000.

[KRA](#)

In the 2015-16 school year, we will again be implementing Ohio's Kindergarten Readiness Assessment. This assessment includes ways for teachers to measure a child's school readiness.

[NWEA MAPs](#)

MAPs assessments are state-aligned computer-based testing system, MAP, is built on 30 years of research and refinement, and adapts to the child in real-time as the test progresses for a pinpoint picture of learning achievement and readiness.

[ODE Diagnostic Assessments](#)

The primary purpose of Ohio's Diagnostic Assessments, which are aligned to Ohio's New Learning Standards, is to provide a tool to check the progress of students toward meeting the standards.

[OST](#)

Ohio's state tests are administered this school year 2017-18 in the areas of English language arts, mathematics, science and social studies. These tests are in computer format.

[PSAT](#)

The Preliminary SAT is a standardized test that provides firsthand practice for the SAT®. It also gives you a chance to enter NMSC scholarship programs and gain access to college and career planning tools.

[SAT](#)

The SAT and SAT Subject Tests are designed to assess your academic readiness for college. These exams provide a path to opportunities, financial support, and scholarships, in a way that's fair to all students.
