Classes of 2021 & 2022 are required to pass all the above and have at least 22 credits to graduate. They are also required to have 18 points on the End of Course (EOC) Exam. This includes 4 points total for Algebra I & Geometry combined. ELA I & ELA II also have to have 4 points combined. US History, Government, & Biology need to have 6 points combined.

For the classes of 2023 and beyond, 22 credits are required. They will also be required to have at least a 3 in both Algebra I, & ELA II EOC tests. They will also be required to earn at least 2 state seals. Information on seals can be found on the Guidance Page under Class of 2023 and Beyond Graduation Requirements.
