November, 2021

Volume 12,
Issue 3

FROM THE PRINCIPAL

This is just a friendly reminder that the road in front of the school (Bloomfield Street) is closed daily from 8:45-9:15 and again from 3:15-3:45 in the afternoon on all weekdays except Wednesdays, in which it is closed from 2:15-2:45. Cars are not to be parked along the street during those times.

On November 22 and November 23 our Kindergarten students will have a fall music program followed by a fall feast. Mrs. Cottingim and Mrs. Begley's program will be on Monday, November 22 and Mrs. Clark and Mrs. Wolff's program will take place on Tuesday November 23. All programs will take place in the gymnasium at 1:30. More information will be coming home soon.

Also as Mrs. O'Connell said November is a time to reflect. I am thankful for such a caring staff, district and community.

From the Counselor

Wow! October seems to have come and gone in the blink of an eye. As we enter the holiday season, I am sure the rest of the year will too. I want to thank everyone for their support with Red Ribbon Week. I enjoyed seeing the students celebrating with our spirit week each day. November is a time to reflect on the things we are thankful for. I challenge you to share your daily gratitude as a family everyday. I am thankful for this district more and more every day, as I continue to meet staff, parents, and community members that all care so much for our students. It takes a village, and I am thankful to be a part of this one! As always, please reach out to me if I can be of any help with your child!

ARRIVAL AND DISMISSAL

The access road and the school property behind the school and ball diamonds is closed during the school day. There is currently a chain at the beginning of the new access road and one will soon be added near the small ball diamond. These will be closed each day around 9:30 and reopened each day around 2:30-2:45. There is not need for any parents to show up more than 45 minutes early to just sit and wait. The line itself moves very quickly and all students are always completely released to all parents cars within 10-15 minutes.

Veterans Day

Preble Shawnee Elementary school will be honoring those who have served in our military by releasing a video on Veterans Day. In the video, you will see and hear patriotic songs and classroom presentations from each grade level. All of these will be thanking our military men and women for their commitment to keep our country safe and free. You will be able to find this video on our school's Facebook page and website on November 11, 2021. A huge thank you to Mr. McPherson for overseeing this project and to the classroom teachers for assisting in his efforts.

Red Ribbon Week

Red ribbon week was a huge success. It was great to see so many students participating in our daily themes. Thanks to Mrs. O'Connell for all of her efforts in planning this week.
